What Others Say

- **$2,900 per client:**
  I set up a Studio FitBomb in my home and my two sons installed in only 25 minutes… amazing! And amazing quality. Within a few months I had 25 clients paying $2,900 each for my personalized fitness training and deep fascia massage inside the FitBomb. we even have a punching bag that we put in there.. I love this thing…

  - CHERY

Commercial Success:

I set up the big Studio in a suntan business I purchased from a failing Planet franchise. I did some basic marketing and sent out a quick email like you recommended to the small existing clientele. I generated enough pre-sales to pay for the FitBomb before it was even installed.
Thanks for all you help. This is quite a relief for us.
